

We've Made Some Changes

Blanket Warmer

Flat Screen TV

Case Manager Program

New Features & Benefits

Flat screen TV - Plays soothing music and artistic pictures to lessen the patient's fears. Refocuses the patient on something other than discomfort.

Blanket warmer - Gives cold-sensitive patients like young children and the elderly additional support. Provides all patients additional warmth and comfort.

Case manager program - Connects the patient and their family to resources to improve quality of living within the home setting.
